

HUDSON'S

CHILDRENSWEAR RE

DECEMBER 2009

A young girl with her hair in a bun, wearing a white quilted halter gown with a colorful patchwork skirt and a white ruffled hem, stands in profile looking out a window with decorative ironwork. The scene is lit with warm, natural light from the window. The floor is wooden, and some greenery is visible at the bottom.

Quilted halter gown from **Fancy Kids Collection**, Andrea's Beau crème beaded headband, and pear iceing pendant necklace from **Iceing on Top**
